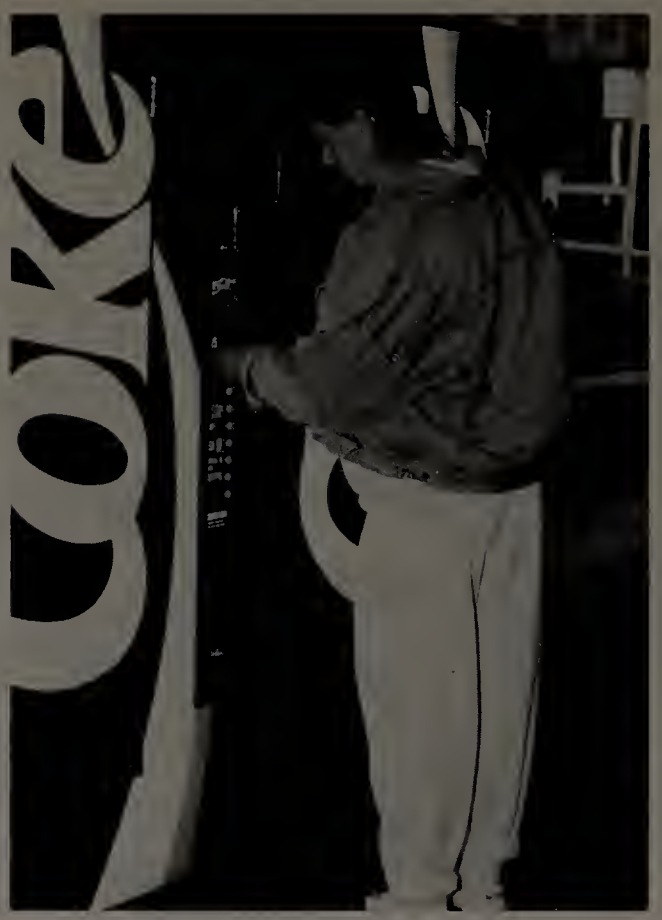
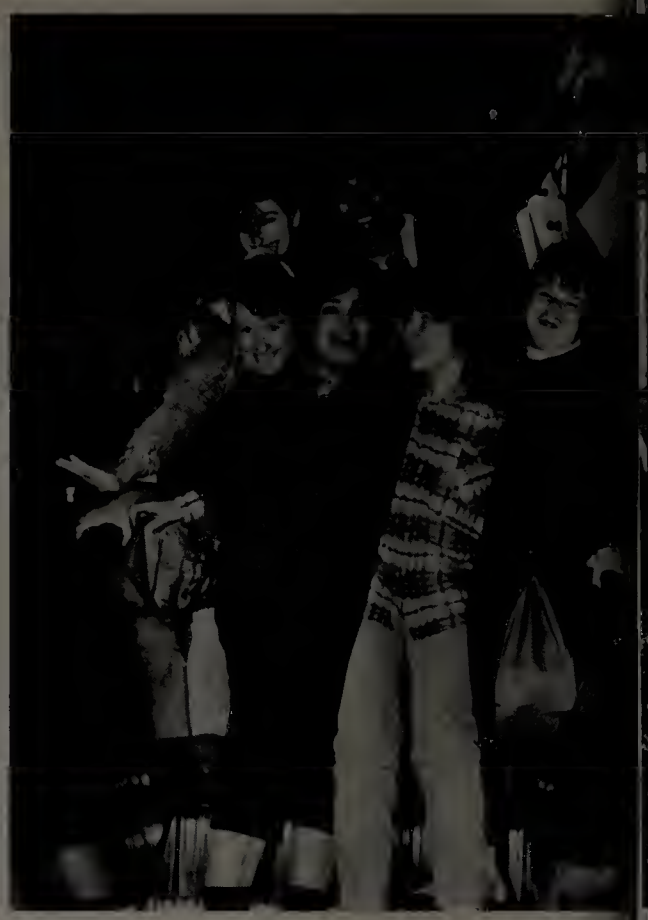
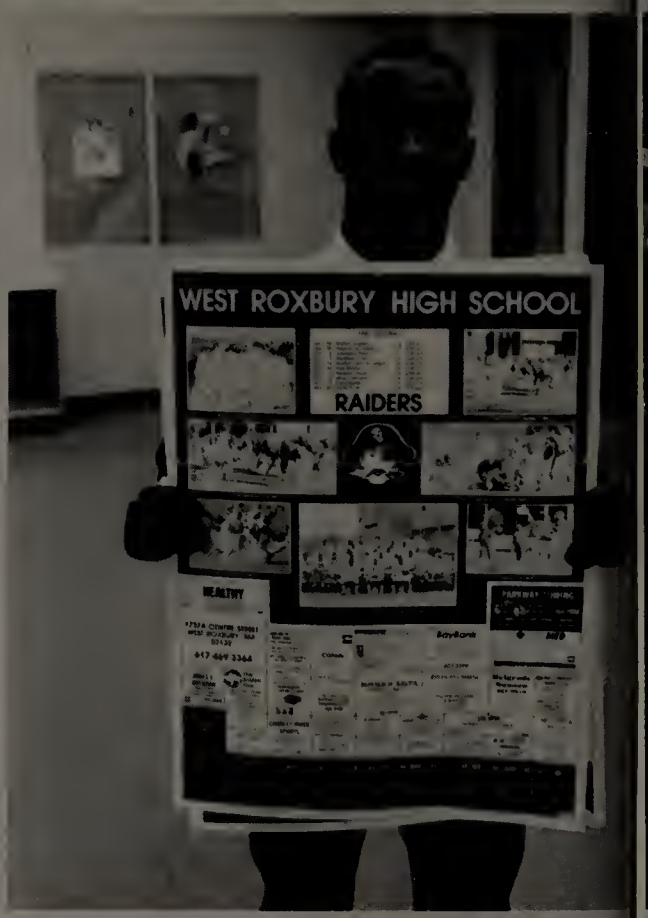
All we have is
here and now;
All our life out
there to find . . .







The road is long.
There are mountains in our way,
But we climb them
a step everyday.

Career moves diminish WRHS faculty

Congratulations to Mr. Harris on his promotion to the position of principal of the Robert Gould Shaw Middle School. The Class of 1988, and the many Westie graduates who have gone before us, will always appreciate the support, understanding and help we could count on from Mr. Harris. Ever since WRHS first opened its doors in 1976, Mr. Harris was there for us; first in the capacity of teacher, coach and housemaster, and then as Assistant Headmaster.

Ms. Linda Nanos joins Mr. Harris at the Shaw with the title of director of instruction. To go from many years as senior class adviser to working with little sixth graders must be quite a change for this former Spanish teacher.

Mr. Gerald Anderson has left the school system to serve as a youth minister and we congratulate him on being elected to serve on the Boston School Committee representing the Dorchester-Mattapan area.

The Phys. Ed. Department has lost Ms. Carolyn Cohen who has taken the post of athletic coordinator of Madison and Tech.; and Ms. Leslie Crutchfield abandoned us in November of our senior year to accept the position of guidance counselor at South Boston High.

Ms. Susan Patterson and Ms. Patricia Thaxton are now teaching at English High School and Jeremiah E. Burke respectively. Their presence as well as their worthwhile home economics programs will be missed.

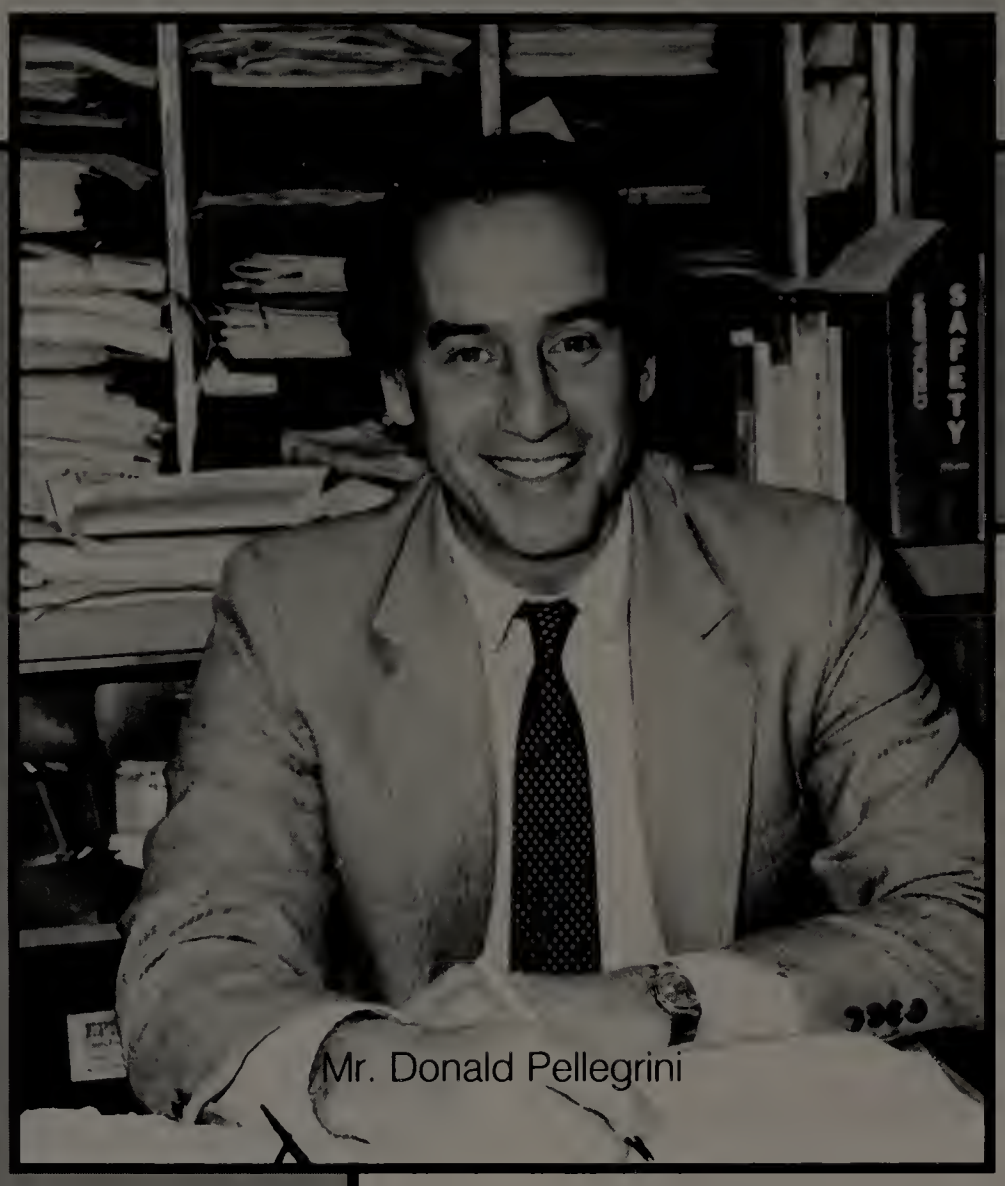
Headmaster's Message to the Class of 1988



Mr. Donald Pellegrini

We can determine excellence in more than one way. However, in our quest for excellence, we sometimes lose sight of the fact that there are different sets of objectives upon which to judge excellence. Certainly an excellent brain surgeon is evaluated by criteria very different from those of an excellent auto mechanic. None-the-less, each has achieved an optimum status within a select group.

Thus, in order not to exclude any individuals or groups from the ranks of excellence, we must not focus on only a single set of objectives which would be reserved for a select group; we must incorporate many and varied criteria in judging excellence so that all individuals will have the opportunity of being judged "EXCELLENT" in their particular endeavor.

This, we have have done at West Roxbury High School. Each of you has had the opportunity to be recognized in excellence. My hope is that you will take this lesson and apply it in judging your peers, with the knowledge that we are all very different — endowed with varied strengths and interests, and each of us will seek the fulfillment of life in different ways. Whatever you choose to do must be done well, with enthusiasm and interest — YOU WILL THEN ACHIEVE EXCELLENCE!!

Raiders Defeat Greater Lawrence 14-0

The Westie Raiders finished a stunning year with an equally stunning victory in the Super Bowl game at Nickerson Field on December 5, 1987. The first points of the game were scored by Galvin Leggett, who made a great 30-yard run in the 1st quarter. The score was later increased with a 2-point conversion by Roselio Fortunato. The final touchdown was made on a spectacular 35-yard pass interception by Ron Fields in the 4th Quarter. Coach Leo Sybertz was very proud of the team, and gave special praise to the defensive and special teams. "They played an excellent game," he proclaimed, a fact well attested by the team's 11-0 record. Nine of the eleven victories were shutouts and the team was one in only three teams out of the 200-odd teams in Eastern Massachusetts to be undefeated.

Volleyball Team Has Bright Prospects

This year's Volleyball team coached by Mr. Cummings consisted of 9 new members. Sheron Hinds, the team's only senior, lost her teammates from the previous season when they all graduated in '87.

The new team has already developed into a competitive force and they're looking forward to an impressive season in '88 with the help of outstanding athletes like Kim Huggins and other promising players like Roxanne Greenaway and Shantae Davison. Julie Vacca and Andrea Martonova showed team leadership skills and Susan Harb is developing into a fine player as well.

The season's highlight was the win over South Boston when the team was down by 4 points and rallied to score the final 2 points.

Hockey Team in State Tourney

The Raider hockey team coached by Bob Kupka and Paul Gilman skated to a 13-2 mark gaining a State Tournament berth. The two losses came at the hands of South Boston which shares the city championship with the Raiders. The team was led by Captain Larry Buttner (12-27-39) along with seniors John McIntyre (7-12-19), Joe McLean (10-15-25), Kevin Dame (4-11-15), and Dan Downing (4-4-8).

A big boost for the team was the ability of freshman Jimmy Thomas to move from forward to goalie and have an outstanding performance. Juniors James Collins, Michael Grady, Brendon McCarthy, Shawn Hogan, Jamie Walsh, and Jay Hoffman will lead the team next year along with Jimmy Thomas, Paul Canty, Pip Ith, and Gerry Fallas. Freshmen Chris Brown, Alex Siefart, and Dennis Smith will handle the goaltending position next season.

Boys' Basketball Tournament Bound

Success returned to the basketball team with a second-place finish in the City League, a trip to the City Playoffs, and a trip to the Eastern Mass. Tournament. The mainstays of the team were all seniors: Co-Captain Bernard Roberts, Leeroy Sims, Co-Captain Dave Foy, Loui Kalogirou, Ray Lambert, and Lennie Rivers. Underclassmen who also contributed were Kevin and Ken White, Derrick Rucker, Reg Cash, Glen Moore, and Sean Fitzgerald. Both Bernard Roberts and Dave Foy were named to the All League Team

Girls in Cities

The Girls' 9-7 season record put them in the City Tournament. Martine Bastien made the All-Star team for the second straight year. Her scoring and rebounding were instrumental in all victories. Marsha Porter played well and, as senior co-captain, provided point guard leadership. The team featured excellent play from four underclassmen. Kim Huggins made the All-Star team. Erica Coleman provided scoring and rebounding. Julia Iraola is a fine defensive player and Chereese Boyd showed signs of becoming a very good player.

Softball Team Qualifies for Tournament

For the third year in a row our team made it to the State Tournament. This feat was accomplished against all odds because our home field was undergoing reconstruction during the '87 season.

Under the able coaching of Ms. Crutchfield and Assistant Coach Mr. Sprissler, Westie won second place in Division II behind Latin School. The '87 season ended with an outstanding record of 11 and 3.

The younger players are the nucleus for the '88 season. Sophomore Glenda Williams shows promise and this year's season will be led by Kim Huggins, one of the hardest hitters in the league.

Baseball Raiders Win City League Again

For the fourth consecutive year the Raiders baseball team has added to our Westie pride by winning the Boston City League. This year's league record was 10 and 2.

The spring 1987 season was led by the hitting of Brian Laws (.444 B.A.), Dexter Gibbs (.404 B.A.), and Mike Wiggins (.388 B.A.). The clutch pitching of Wiggins and Gibbs was a tremendous asset. It was a great season with an 11 and 4 record. Other returning players who contributed to the team's success were Gary Conway, Wally Laws, Mark Anderson, and Mike Turrilli. As we go to press, Coach Conley is looking forward to another winning season in spring '88 with the help of many of these same players.

Members of the Library Club assist Miss Kennedy, the librarian, in the day-to-day running of the school library. Routine duties include working at the desk, and notifying students of overdue books. Each Christmas the club members work on a project concerning Christmas customs in various countries. In May students are recognized for their library service at an awards dinner to which faculty and parents are invited. Members enjoy several field trips during the year, and historic sites such as Sturbridge Village, Heritage Plantation, and Lexington and Concord are visited.

NJROTC at WRHS

The U.S. Navy sponsors the Naval Junior Reserve Officer Training Corps (NJROTC) program. Westie is one of only *200* high schools in the United States that have this program. The NJROTC program is designed to assist high school students become better-informed citizens, to encourage patriotism, develop discipline, and to foster a high degree of personal honor. The cadets participate in various civic events, including parades throughout Boston. In addition, they go on field trips to Florida and other warm locations during the cold winter months, as well as partaking in other learning opportunities such as the Hands-On Sail Training Program.

Government Study Trips

Close-Up is a program that is offered to students in high school who are interested in the way government operates. Close-Up offers students an opportunity to participate in seminars which are designed to increase the younger generation's awareness in government. It also provides sight-seeing tours and workshops where students from different parts of the country come to express concerns that are national and international. Fortunately, the trip is funded in part by the Bank of New England, a very important supporter of education here at West Roxbury High.

The Time Of Your Life

This is the time of your life. . . . A time to celebrate, to remember good times and bad, old friends and new, successes and failures.

A time to look to the future. To carry all the experiences of high school with you. To let these experiences help you grow and face the challenge and excitement of the world you are about to enter.

You are all headed in different directions. Some of you will be looking for jobs, going to college, technical schools. We hope that the programs that Bank of New England has developed at West Roxbury High School have helped you prepare for the new experiences that lie ahead.

We couldn't reach all of you, but for those we did we hope we made a difference—in your choices, enthusiasm, growth and future.

Put yourself to work for the hometown team.

Which real estate office here in town offers the advantages of Number 1? Our CENTURY 21® office. Why not let CENTURY 21 resources help your career? Take advantage of the VIP® Referral Network, the largest referral system in real estate. Or broaden your specialization in commercial, residential or investment properties with CareerTrak® Training. Come down and talk to some of the people who together were involved in over $50 billion in successful real estate transactions last year alone. The hometown team could make you look just as good.

Put Number 1 to work for you.®
